

Seon-young KIM

YEAR OF PRACTICE

- 2011 ~ Present

EDUCATIONAL BACKGROUND

- BUSAN National University, BS in Electrical and Electronic Communications Engineering (2007)

ADMISSIONS / AFFILIATIONS

- Admitted to Patent Bar (2011)
- KPAA (Korean Patent Attorneys Association)

TECHNICAL EXPERTISE

- Semiconductor equipment, semiconductor manufacturing process
- Display, UI/UX, data processing, etc.

CONTACT

- Tel: 02-6714-1183
- Email: sykim@nampat.co.kr
- Language: Korean/ English

PROFESSIONAL EXPERIENCE

- Handling domestic/international/PCT applications and OA for the patent and utility model
- Handling OA and trial for patent in the field of semiconductor manufacturing process and semiconductor equipment
- Handling OA and trial for patent in the field of display
- Handling OA and trial for patent in the field of data processing
- Handling OA and trial for patent in the field of UX/UI
- Analysis of patent invalidation regarding semiconductor manufacture
- Analysis of patent invalidation regarding TFT display
- Analysis of patent invalidation and infringement regarding VOD system
